

Packaging technical documentation

pursuant to Annex VII of Regulation (EU) 2025/40 (PPWR)

Odpadový hospodár s. r. o.

ppwr.elo.sk/ortqf3y0l4sfunm

1. Packaging identification

Parameter	Value
Packaging name	Packaging unit "Radosť v obale (OB-001)"
Packaging type	Sales packaging
Intended use	Product protection.
Packaging description	Packaging of the product Radosť v obale. It consists of a glass bottle, a label and a cap.
Packaging image	
Food contact	No
Packaging character	Single-use, intended for recycling
Marking and identification	Identification element: batch number. Manufacturer identification: directly on the packaging. Legibility and non-interference with other markings confirmed: Yes.
Available references	- Heavy metals (Pb, Cd, Hg, Cr VI) - Recyclability (EN 13430) - Prevention / dangerous substances (EN 13428)
Manufacturer	Odpadový hospodár s. r. o., Ulica gen. Viesta, 90201 Pezinok (IČO 46708740)

2. Composition of the packaging unit

Component	Material	Weight	Food contact	Country of origin	Dimensions (L × W × H, mm)
Bottle	Glass	500 g	No	SK	10 × 10 × 20 mm
Cap	Metal — aluminium	3 g	No	SK	
Label	Paper and cardboard	1 g	No	SK	
Total		504 g			

3. PPWR conformity assessment

PPWR requirement	Evaluation	Evaluated by
Article 5 — Heavy metals in packaging (Pb + Cd + Hg + Cr VI ≤ 100 mg/kg)	Compliant — Supplier analysis	☐ Internal ☒ External
Article 5(5) — PFAS limits in food-contact packaging	Not applicable	—
Article 6(2) — Packaging recyclability — baseline definition	Compliant — Meets the PPWR definition	☒ Internal ☐ External
Article 6 — Packaging recyclability (grades A–C)	Applies from 01.01.2030 (not yet assessed)	—
Article 7 — Minimum recycled content in plastic packaging	Not applicable	—
Article 8 — Bio-based plastics	Not applicable	—
Article 9(2) — Compostability of selected packaging	Applies from 12.02.2028 (not yet assessed)	—
Article 10 — Packaging minimisation	Compliant — Meets the PPWR definition	☒ Internal ☐ External
Article 11 — Requirements for reusable packaging	Not applicable	—
Article 12(1, 6, 7) — Harmonised labelling (pictograms, composition, sorting)	Applies from 12.08.2028 (not yet assessed) (pending implementing act)	—
Article 12(2) — Labelling of reusable packaging	Not applicable	—

Article 15 — Packaging identification element (type / batch / serial number)		Compliant	Internal External
Article 15 — Manufacturer identification on packaging		Compliant	Internal External
Requirement set	2026-08-11.1	Assessed as of	12.08.2026
Assessment carried out by	Tomáš Schabjuk		

4. Notes

No notes recorded for this packaging as of the issue date.

This documentation is based solely on the requirements of Regulation (EU) 2025/40 (PPWR) and does not cover requirements applying to the packaging or the packaged goods under other legislation.
